

Paper Hearts Stacking Challenge

✓ Skills

- Scissor skills
- Bilateral coordination
- Direction following
- Impulse control
- Grading speed
- FUN!

1. Cut out strips of paper.
2. Fold each strip in half.
3. Use glue or tape to secure the the ends together to create a heart.
4. Use the hearts to create towers or other sculptures. They make fun art too!

Blank paper strips for cutting and folding.
